ABOUT PAGE:

SERVICES PAGE:

CONTACT PAGE:

This is a screenshot of a website's contact page. The header is identical to the previous page, with the 'INFINITY WORLD' logo, navigation menu, and language selector. The main heading is 'Contact'. Below it is a short paragraph asking visitors to leave their name and phone number for assistance. The contact form consists of several fields: 'Name' (with the example 'John Doe'), 'Email Address' (with the example 'john@example.com'), and 'Phone Number' (which includes a dropdown menu for the country code, currently set to '+60 (MY)', and a text field for the number '12-345 6789'). There is also a 'Note' section with a text area labeled 'Your message...'. A yellow 'SUBMIT' button is at the bottom of the form. A blue circular chat icon is in the bottom right corner.
